Reed Williams

Reed Williams is a retired oil and gas executive and former District 8 Councilman. He was appointed by Mayor Ron Nirenberg to the Committee on Emergency Preparedness with the objective to better understand what happened during the winter storm and prepare for future storms.

Reed is the Chairman of the Rate Advisory Committee with the mission to provide helpful and unique knowledge and customer insights into CPS' efforts and projects related to utility rate design, structure, and generation planning.

Anita Ledbetter, Executive Director, Build San Antonio Green

Anita Ledbetter has been working for the community of San Antonio as the Executive Director of Build San Antonio Green for 17 years, where she has worked to build San Antonio's nationally recognized affordable green building program and is a champion for the equitable distribution of solar for all people.

Anita has served on several City planning committees and boards including the City of San Antonio's Sustainable Building Code Task Force, SA Tomorrow Sustainability Plan, SAWS Citizens Advisory Committee, San Antonio Bike Share, EPIcenter Advisory Council, 2030 District, Municipal Bond Oversight Commission, the SA Climate Ready Plan, and most recently the CPS Energy Rate Advisory Committee.

Her passion for people and vision for the future are at the heart of Build San Antonio Green's continued success and evolution.
